This Website Terms of Use outline the terms and conditions under which you are granted access to this version of the Website by the Government Polytechnic, Valsad College. By accessing, viewing, or utilizing the Website, you agree to comply with these Terms. The College reserves the right to modify the Terms at any time, and any changes will be reflected on this page. Any amended Terms will apply to your use of the Website without requiring additional consent. Your use of the Website, including all its features and any future developments, will be governed by these Terms.

#### What's covered in these terms

We know it's tempting to skip these Terms of Service, but it's important to establish what you can expect from us as you use PassMate services, and what we expect from you.

The purpose of this website is to provide a platform for parents and students of the College to stay informed about updates and notices issued by the Institute. It is expected that all students will regularly visit the website to access the necessary information and updates.

Understanding these terms is important because, by accessing or using our services, you're agreeing to these terms.

In case of any guery contact our Institute on - 02632 253 015

## **Terms**

# Service provider

PassMate services are provided by, and you're contracting with:

Government Polytechnic, Kosamba Road, Valsad 396001 Gujarat.

# Age requirements

If you're under the age required to manage your own PassMate Account, you must have your parent or legal guardian's permission to use a PassMate. Please have your parent or legal guardian read these terms with you.

If you're a parent or legal guardian, and you allow your child to use the services, then these terms apply to you and you're responsible for your child's activity on the services.

# Your relationship with PassMate

# What you can expect from us

## Provide a broad range of useful services

We provide a broad range of services that are subject to these terms, including:

- Digitally deliver documents
- Verifying documents by Lab Technician
- Instant Verification of User Documents
- Personalization (Account Customization)

## Develop, improve, and update PassMate services

We're constantly researching new features and functionalities to improve our services. As part of this continual improvement, we sometimes add or remove features and functionalities, increase or decrease limits to our services, and start offering new services or stop offering old ones. When a service requires or includes downloadable or preloaded software, that software sometimes updates automatically on your device once a new version or feature is available. Some services let you adjust your automatic update settings.

If we make material changes that negatively impact your use of our services or if we stop offering a service, we'll provide you with reasonable advance notice, except in urgent situations such as preventing abuse, responding to legal requirements, or addressing security and operability issues.

## What we expect from you

We also make various policies, and other resources available to you to answer common questions and to set expectations about using our services. Finally, we may provide specific instructions and warnings within our services – such as dialog boxes that alert you to important information.

Our service-specific additional terms and policies, provide additional details about appropriate conduct that everyone using those services must follow. If we act on a report of abuse, we also provide the process described in the Taking action in case of problems section.

#### Don't abuse our services

Most people who access or use our services understand the general rules that keep the internet safe and open. Unfortunately, a small number of people don't respect those rules, so we're describing them here to protect our services and users from abuse. In that spirit:

You must not abuse, harm, interfere with, or disrupt our services or systems — for example, by:

- Uploading Wrong Documents
- spamming, hacking, or bypassing our systems or protective measures
- creating fake accounts or content, including fake reviews
  - introducing malware
  - jailbreaking, adversarial prompting, or prompt injection, except as part of our safety and bug testing programs
  - providing services that appear to originate from you (or someone else) when they actually originate from us
- providing services that appear to originate from us when they do not

hiding or misrepresenting who you are in order to violate these term

# Using PassMate services

## Your PassMate Account

If you meet these age requirements you can create a PassMate Account for your convenience. You're responsible for what you do with your PassMate Account, including taking reasonable steps to keep your PassMate Account secure, and we encourage you to regularly use the Security Checkup.

## Service-related communications

To provide you with our services, we sometimes send you service announcements and other information. To learn more about how we communicate with you, see PassMate's Privacy Policy.

If you choose to give us feedback, such as suggestions to improve our services, we may act on your feedback without obligation to you.

# In case of problems or disagreements

The terms give you the right ways to fix problems if things go wrong.

In case, If students disagree with the terms of service and privacy policies or If the user has any trouble then the user can send a report message as we give you a facility to speak to us. we will contact you soon.

## Liabilities

### For college students only

As per requirements only college students can use the services provided by us. Further development will be undertaken if any necessary prerequisites are found.

# Suspending or terminating your access to PassMate services

Without limiting any of our other rights, PassMate may suspend or terminate your access to the services or delete your PassMate Account if any of these things happen:

 we reasonably believe that your conduct causes harm or liability to a user, third party, or PassMate — for example, by hacking, phishing, harassing, spamming,

## misleading others, or scraping content that doesn't belong to you

service, we'd appreciate knowing why so that we can continue improving our services.
